

Symphony of Home is a program that fosters community through music by providing lessons to students from refugee and immigrant families.

Become a contributing teacher!

If you also believe in the power of music to bring people together and to positively impact students' lives, volunteer as a contributing teacher!

Provide weekly lessons to 1 or more students

Help student(s) prepare for community concerts

Include your Symphony of Home student(s) in your own events

Receive acknowledgments via MFE events and social media highlights
